## Our School History

The school was founded in 1981 by the Ama Gasela community living at Noncampa Location. Noncampa Location is a village about 10 kilometres from King Williams town in the Buffalo City Metropolitan Municipality. The school was named after the Chief Toise. It started as a Junior Secondary School with the late Mr H.N. Ngxowa as the first principal. In 1990 the school was upgraded to be a Senior Secondary School with Mr V.S. Ntlebi becoming the first principal. Between 1996 and 2001, Mr Muluse was the principal. The school starts from Grade 8 up until Grade 12.

The school is easily accessible from all sides of the village. There is both a clinic (primary health care centre) and a church in close proximity to the school.

## Community Profile

The community is made up of mainly the elderly and unemployed people with the unemployment rate standing at around 70%. The people in the village depend on old age pensions, traditional and subsistence farming. Even though the community faces such economic challenges, they are still supportive of the school.

# Sifunda Kunye Sportsdsay

## 18 May 2019

On the 18th of May 2019 we took part in the Sifunda Kunye sports tournament . The sporting codes played was soccer and rugby. All our Sifunda kunye partner schools played very well, and we enjoyed the day with all the learners, parents and teachers. Congratulations to Toise SSS for winning the rugby and Richard Varha for winning the girls soccer.

The final results for this tournament was as follows:

Rugby:

1st place Toise SSS

2nd place St Matthews High School

3de place Xolani SSS

4th place Richard Varha High School

Soccer: (Girls)

1st place Richard Varha

2nd place Xolani SSS

3de place St Matthews High School

4th place Toise Senior Secondary School

Thank you to Sifunda Kunye team for organising this event.

# Grade 12 farewell 2019

On the 10th of May 2019, the grade 12 learners had a night to remember at the Osner hotel in East London. The young ladies and gentleman looked very smart with their outfits.

Thank you to the farewell committee , SGB, Principal and all our honor guests for making this a special occasion.

## ABOUT THE COMPANY – AFRICAN SCHOLARS' FUND

The African Scholars' Fund opened its door when it saw a great need for quality education during the apartheid years. Today, they help by financially assisting learners from poor families with their secondary school and TVET college education fees.

The fund aims to contribute by way of monetary donations towards students school fees, uniform and transport costs. The ASF does not stop at providing financial support, they also mentor, motivate and nurture their recipients until their studies are complete. They are entirely focused on students wellbeing by monitoring and providing feedback on their academic progress – keeping in regular contact with bursars.

The Toise SSS learners bursary from African scholar's fund and they brought hats scarfs for themselves and they getting worm this winter.

African Scholer's Fund bursary learners 2019.

# Grade 12 Mid year examination!!

# How to avoid Matric Exam stress

Use these handy **studying tips** when preparing for your **final exams**

Select a study area where you can **work undisturbed** away from a TV or your cell phone.

Set up a **place to study**, with a table, chair, uncluttered work space and good lighting.

Draw up a special **study schedule** according to your timetable.

Decide what time of the day works best for you to study for example early morning or evenings.

Study in **50-minute blocks**, with **10-minute breaks**.

Select **fixed study times** for every day, including a time slot **over weekends**.

Make sure you arrive **early** on the day of your exam.

Avoid last minute **cramming**

Break up topics into **manageable sections**.

Find the best study method that works for you (summarising, drawing mind maps or flow diagrams).

## On the day

Preview the question paper and **allocate time limits to each question**.

**Read through** and make sure you **understand** the exam instructions.

If you feel you're unable to answer a question, **don't panic** – you can **always revisit it at the end**.

*Cami Education Software—  
Englsh Reader and Maths availbale in our school lab*

## CAMI History

CAMI specialises in the development of high performance, high productivity software. The company started their development of software in 1984, introducing the unique "Practise for Skills" approach to learning. CAMI has been at the forefront of developing and delivering electronic curriculum content for the past 27 years. Developed in South Africa and also used internationally, the CAMI EduSuite is a collection of programs that includes Maths, a Perceptual Skills Builder as well as a Reading and Language System
