Grade 12 Jackets 2022

Social development visit

14 June 2022

Eastern Cape Social development visited our school to create awareness of the facing issue facing so many learners in today's day and age, the main topic was bullies, an anti-bully campaign was launched.

We all have a role to play to ensure we know our rights and we have a responsibility to report any wrong doing against any person.

Eastern Cape Rugby Team

We are proud, two of our Sifunda Kunye partner schools boys will represent the Eastern Cape U/15 rugby team 11-15 July 2022 in Johannesburg.

Well done. Makupula Mlibo from Xolani SSS and Mzozoyana Isivile from Toise SSS.

We would like to thank Thandile Mzukwa, head coach at Toise SSS, Sifunda Kunye volunteer for his hard work, dedication and always supporting these young men.

Congratulations

Our choir took part in Buffalo City Municipality choir competition during this term, our choir received 3de place.

Well done Toise SSS choir, you make our school proud!

A special well done goes to Lisakhanye Ndzuse that took part in a solo event and received 1st price, he will represent Buffalo City in solo's. Keep up the good work Lisakhanye!!

Good Luck Lindokuhle Xozwa

Lindokuhle Xozwa grade 11 has been given a scholarship to attend Dale College, Lindokuhle we are going to miss you at Toise SSS but we wish you all the best at your new home.

Thank you to founder from Zwelitsha Rugby dragoins THandile Mzukwe for all the work you do in developing opputunities through rugby for all the learners.

Sifunda Kunye computer lab at our school follows a caps aligned software program Cami. The program helps learners with English and mathematical skills.

The lab is also fully equipped with the internet that provides learners with the opportunity to access the internet for research, application to university and much more. Toise SSS are lucky to be connected to a fully functional lab, the lab assist our learners to connected to the outside world as many rural school in South Africa does not have the same opportunity.

Sifunda Kunye computer lab that is fully supported by full time Sifunda Kunye employees. Our computer lab creates great opportunity of computer literacy and assistance to many learners.

The use of technology is extremely important in todays life and our teachers and faculty is grateful to be one of the partner schools of Sifunda Kunye.
